## **Locations:**

Trinity College  
Ferris Athletic Center  
1685 Broad St  
Hartford, CT 06106

The CSA is honored to host this year's Championship this world class facility. Please ask your teams to respect it by taking care of the courts and depositing all trash and litter in the appropriate receptacles.

Matches begin at 9am each day, and the Ferris Athletic Center will be open by 8am for players and coaches to arrive.

## **Contact Information:**

Coaches can reach tournament staff throughout the tournament, starting Thursday evening, at the following number: **646-389-0452**. If no one is available to answer your call, please leave a voicemail. The Tournament Director can also be reached throughout the weekend at [dent.wilkens@ussquash.com](mailto:dent.wilkens@ussquash.com).

## **Athletic Trainers:**

An Athletic Trainer will be on site for the entire weekend. If the assistance of a trainer is needed, please see any tournament staff member and they will be able to radio the trainer or direct you to his/her location.

## **Bag Storage:**

We ask that all players keep their bags in locations out of the way of spectators on Friday. Court #10 will be available for bag storage for Saturday and Sunday of the tournament.

## **Marking and Refereeing of Matches:**

After completion of their match, both players are required to act as marker and referee for the following match on that court. The winning player should act as the referee while the losing player should act as the marker. In some instances, CSA referees will be available to take over refereeing duties from players, yet in these instances players may still be asked to stay to act as markers.

## **Reporting of Match Results:**

It is the responsibility of the winning player to bring the completed score sheet from their match back to the tournament desk. The tournament staff will then give them the score sheet for the following match.
