

# 2024 SEASON

## Note to player referees:

We are trying to emphasize good sportsmanship and curb poor sportsmanship.

Rule 15.5 states: “Players must not behave in a manner that is unfair, dangerous, abusive, offensive or in any way detrimental to the sport.”

***You are not limited to penalizing players for the behaviors on these sheets.***

The decisions to the right are automatic penalties. No discussion needed.

Thank you for helping make College Squash represent the best in squash.
